Dear Mr. Taylor:

Re: Notice of Intention to Commence Small Mining Operations, Body
Toddy Mine, SM/015/040, Emery County, Utah

Thank you for your Notice of Intention to Commence Small Mining Operations received by the Division on January 16, 1988. The application is complete, therefore, no future information is required at this time.

We have retired the exemption which you filed in 1986 on this site, and replaced it with the Small Mine Notice of Intention.

Should you wish to expand your operations beyond the five acre limitation, please notify this office as soon as possible to avoid any unnecessary delays.

When in the area, a member of the Division staff will examine the site.

Thank you for your cooperation and best wishes for a successful mining operation.

Sincerely,

Frank Filas
Reclamation Engineer
